█████ said that he was just filling out some paperwork with the nurses at the above location. █████ then said without any warning, Arrested/█████ grabbed him by the head and slammed his head against a plexiglass near the office reception area. █████ then wrestled with him to the ground before Navos staff were able to break them apart.

█████ sustained minor injuries from the assault. █████ told me that he not lose consciousness but was in pain. I took photographs of █████'s injuries and later uploaded them into DEMS.

Navos employee Witness/█████ stated that she spoke to █████ and asked him why he assaulted █████. █████ told her that "█████ called me a faggot earlier and that upset me." █████ told me that they managed to detain █████ and placed him inside their "seclusion" room.

█████ said that earlier this evening, █████ approached a different Navos employee (name unknown) and was also confronted by █████ over false claims of being called a "faggot" by the unknown named employee. That event only lead to an argument.

█████ also mentioned that this was █████'s first day at Navos and was certain that █████ and █████ never crossed paths prior to this incident.

█████ stated that he was called a "faggot" by █████ and was upset over what he was called.

I provided an SPD business card to █████ and to █████.

Arrested/█████ was arrested for SMC 12A.06.010 Assault. █████ was transported to the SW Precinct subsequently transported to KCJ by Officer Woodward #8324.

█████ was later identified via a preexisting King County Ingress booking photograph with his information as: █████ DOB: █████ Address: █████ Eye: Blue Height: 6-00 Weight: 220.

I screened the arrest with Sergeant Unger #5130.]

I hereby declare (certify) under penalty of perjury under the laws of the State of Washington that this report is true and correct to the best of my knowledge and belief (RCW 9A.72.085)
